An Old English Home and Its Dependencies by S. Baring ...

Old English homes were much smaller and more streamlined than the large Tudor-style country residences that appeared in the late 19th century that echoed medieval English styles . Characteristics commonly incorporated included the steeply pitched roof and cross-gables, large stone or brick chimneys often at the front of the house, and small-paned bands of casement windows.

There is still in England a good deal of good plain old oak; old cradles, old standing clock cases, old bureaus, etc., without any carving on them, but fine in their lines and in their simplicity. These wretches buy them up and give them into the hands of mechanical carvers to adorn in "Elizabethan style," and then they sell these good old articles of furniture—defaced and spoiled and ...

An Old English Home and Its Dependencies : Frederick Bligh ...

"In Old English, thou (thee, thine, etc.) was singular and you was plural. But during the thirteenth century, you started to be used as a polite form of the singular - probably because people copied the French way of talking, where vous was used in that way. English then became like French, which has tu and vous both possible for singulars; and that allowed a choice.

Old English Quotes (10 quotes) - Goodreads

An English country house is a large house or mansion in the English countryside. Such houses were often owned by individuals who also owned a town house.This allowed them to spend time in the country and in the city—hence, for these people, the term distinguished between town and country.
