Edition

The book by Watson and Rayner was originally published in 1920. It was edited by Webb and republished in 2013. Sometimes an authored book also credits an editor on the cover. In this case, include the editor in parentheses without italics after the book title. Provide the year of the republication in the main date element of the reference.

Tips:

- For works with three or more authors include the name of the first author only, plus “et al.” in all in-text citations (including the first one).
- When there are 21 or more authors, include the names of the first 19 authors in your reference list, followed by “...” and then the name of the final author.
