Bosch Washer Error Codes | Washer and dishwasher error ...

June 27th, 2008 We had our first problem with the washer, the E04 error, which for us meant the pump was blocked by something. It seems like Bosch wants to make sure their service people have something to do so they make it hard to find the solution. It is really pretty easy, and should only take about 15 mintues to fix once you know how to do it.

Bosch Nexxt 500 Washer and E04 Solution

great article and contributions everybody - got E04 up today and the Bosch codes state its a door lock issue - non-sense. Our washer is 12 years old now and has a bad smell associated with it for a while now - laundry was not fresh as it should have been.
