BABOK® Guide expands the scope of business analysis, providing essential direction and support for practitioners. Business analysis is a very interconnected, linear process. There are a lot of feedback loops, but at the core is enterprise analysis: which talks about business casing, understanding the business problem, and solution assessments.

### **BABOK® Guide - IIBA**

By rolling the task up to activities, then up to workflow and then to subprocesses, it is easy to see how all work fits into processes and how it plays a role in producing the end product of the process. But this fourth level of detail provides only a basic understanding of the detail in the business operation.
