Negotiating Commercial Leases & Renewals For Dummies Cheat Sheet. From Negotiating Commercial Leases & Renewals For Dummies. By Dale Willerton, Jeff Grandfield. Knowledge is power, they say, and it's as true in commercial lease negotiation as anywhere else. Landlords deal with leases all day long — they have the knowledge.

Negotiating Commercial Leases & Renewals For Dummies Cheat ...

Leasing instead of flat-out purchasing business assets has grown in popularity over the past couple decades. The reason is that although businesses need tangible assets, they don't want to tie up money in acquiring these assets.

The Basics of Accounting for Leases - dummies

Renting commercial space is a big responsibility -- the success or failure of your business may ride on certain terms of the lease. Before you approach a landlord, you should understand how commercial leases differ from the more common residential variety, and before you sign anything, make sure you understand and agree with the basic terms of the lease, such as the amount of rent, the length ...

The Commercial Lease: What You Should Know | Nolo

A commercial lease should clearly define the space the tenant will lease, also known as the "demised premises." Leases typically include both a street address and site plan showing the demised premises and set the square footage of the demised premises.

Commercial leases: basics explained - The Business Times

An open lease contract is used primarily for commercial (business) vehicle leases. In this type of lease, the lessee pays the difference between the residual value (estimated resale value) and the actual resale value at the end of the lease.

What to Know Before Leasing a Company Car for Business

Leasing is a fast and easy way to get a car with little or no down payment. Monthly lease payments usually are less than loan payments for a new car. Additionally, you'll encounter less paperwork, inspections, and registration hassles when leasing a car. Leasing appeals to individuals who use cars for business. need a car [...]

Comparing Leasing a Vehicle with Buying Your Car - dummies

Car leasing started out as a way for companies to obtain cars for their business needs but has become a great part of our everyday lives and many people make use of it today. Understanding the terms used for car leasing should also make it easier and safer for you.

Car Leasing Terms for Dummies | eAutoLease.com

The leasing entity is the lessor — a financial company that buys the car from a dealership and leases it to you. Today the lessor is usually the automaker's captive finance company. The transaction is handled by the dealership, acting as a middleman between you and the car company.
