Chamber Music A Play By

Chamber music is a form of classical music that is composed for a small group of instruments—traditionally a group that could fit in a palace chamber or a large room. Most broadly, it includes any art music that is performed by a small number of performers, with one performer to a part (in contrast to

orchestral music, in which each string part is played by a number of performers).

Chamber music - Wikipedia

Chamber music developed in the 19 th century as entertainment for amateur musicians to play pieces with friends in the comfort of the home. The repertoire grew increasingly complex as musical luminaries like Beethoven, Brahms, Tchaikovsky, and others composed pieces that brought this music out of the home and into the concert hall. Besides the ...
