### Employment Claims Without A Lawyer

Updated June 24, 2021 Termination of employment in Ontario can occur in two different ways: (i) termination without cause; or (ii) termination for cause. An employee who has been terminated without cause is presumed to be entitled to reasonable notice of dismissal or pay in lieu of notice of dismissal (a.k.a. a severance package). In contrast, an employee who...

### Termination without Cause - Employment Law 101

An employer is not required to give severance pay unless an employment contract requires it, or the employee handbook indicates the employer has a policy of doing so. However, if an employee has a potential legal claim for wrongful termination, they may be able to negotiate a severance package in exchange for a promise to waive a legal claim ...

Although laws and legal procedures can be complex and cumbersome, it isn't impossible to file a lawsuit on your own without a lawyer. In fact, some small claims courts - state courts designed for monetary claims generally of only a few thousand dollars - don't even allow attorneys to practice. Outside of small claims, it is possible to file a lawsuit in state or federal court without an ...

Convention no. 158 of the International Labour Organization states that an employee "can't be fired without any legitimate motive" and "before offering him the possibility to defend himself". Thus, on April 28, 2006, after the unofficial repeal of the French First Employment Contract, the Longjumeau conseil des prud'hommes (labour law court) judged the New Employment Contract contrary to ...

A good contract lawyer should be able to deploy effective negotiating tactics and strategies so that you get the contract you want. Finally, it is crucial that both parties retain a separate lawyer, so that the terms of the employment contract are fair and just. A legally binding employment contract can be enforced by a court. So you need an ...

Although it may technically be possible to get a subpoena without a lawyer, doing so carries with it certain risks. For example, if the proper person is not named, the party may not receive the documents that he or she is requesting. The subpoena must be listed in the person's name who actually has the records.

In most states, if you are seeking compensation of less than \$5,000, you can take your case to small claims court. An attorney does not want to represent someone who is seeking recovery of \$300 for example so you will need to handle this yourself in small claims court. Small claims court is much different than what you see on TV.
