Graffiti In The Athenian Agora

Like fragments of overheard conversations, the thousands of informal inscriptions scratched and painted on potsherds, tiles, and other objects give us a unique insight into the everyday life of the Athenian Agora. Some are marks of ownership, or the notes of merchants, but many are sexual innuendos, often accompanied by graphic illustrations.

The city is in the middle of a graffiti epidemic. It's a combination of high youth unemployment and underemployment, a general sense of unrest, and authorities being stretched too thin to do much about it. Frankly, the police have bigger problems. The result is an artistic free-for-all on the city's

streets.
