But too many politicians act as if gun violence is just a fact of everyday life. They offer only thoughts and prayers as tragedies unfold, while accepting millions from the National Rifle Association to stand in the way of even the smallest reforms. We must stop pretending that we are powerless to prevent gun violence.

Gun-rights activists argue that most gun owners are law-abiding citizens who actually prevent crime. They point out that existing gun laws strip Americans' basic rights while failing to keep guns away from dangerous people.
