Here we discuss the causes of terrorism, or more specifically, why people become terrorists. In order to combat terrorism, we must first understand the drivers of terrorism. Identifying these drivers allows policy makers to target terrorism at its root causes rather than fight those who have already become radicalized.

### **Causes of Terrorism - Hand of Reason**

Like most violent far-right and modern jihadist terrorism, incel violence has not been dictated by leaders of an identifiable network who design a plot and finance and train the attackers. Without any kind of traditional command-and-control apparatus, these incel attacks have instead been conceived by individuals who design and execute their ...
