There's a guy that I'm talking to in North Carolina with a 1985 Honda ATC250ES "Big Red" 3-Wheeler. It's like brand new, except for one small crack in the rear fender. He priced it to me for \$1,200. Is it worth that? I will have to drive just under 500 miles to get it, so I'll be out at least \$100-\$150 in travel expenses. You might as well say that it's going to cost me around \$1,500 total.
