How to cheat in Khan academy (Get all answers right)

So basically my teacher just told us we have to do 90 khan academy practices in a day, all Geometry. Math was never my strong point, and I can't get in done in time (its for a test grade) so I need a way to cheat on it. The practices work by you have hints that eventually get you the answer, but if you go offline then it doesn't show you the hints so I can't do that.
