Mental Capacity Act (MCA): e-Learning course - SCIE

Bournemouth University has long history of delivering CPD (continuing professional development) to the health and social care sector. Our large portfolio of workforce development and CPD opportunities reflects current workforce transformation across the sector and is constantly updated to ensure that it meets the needs of our stakeholder organisations and students.

Wozzad Online Course Application for Bournemouth University

awareness and implementation of the MCA is poor in some parts of the country and some corners of the health and care system. Much work over the last year has been done to begin to address this problem. The CQC is paying much greater attention to the MCA during inspections and the Social Care Institute of Excellence has launched a new online MCA

Seymour Cray famously said "parity is for farmers" when asked why he left this out of the CDC 6600. Later, he included parity in the CDC 7600, which caused pundits to remark that "apparently a lot of farmers buy computers". The original IBM PC and all PCs until the early 1990s used parity checking. Later ones mostly did not. An ECC-capable memory controller can generally detect and correct ...
