Our goal: to create the standard against which all other publishers' cooperative exhibits are judged. Look to \$domain to open new markets or assist you in reaching existing ones for a fraction of the cost you would spend to reach them on your own. New title launches, author appearances, special interest group/marketing niche...\$domain has done it all and more during a history of presenting over 2,500 successful exhibits. \$domain has the proven approach, commitment, experience and personnel to become your first choice in publishers' cooperative exhibit services. Give us a call whenever your ongoing marketing demands require the best exhibit service your promotional dollars can buy.

National Healthcare Provider Solutions

The idea behind the Save a Life Initiative is simple. Take the same advanced life-saving training we developed for physicians, and give it to the underserved, at home and abroad at no cost. We work in conjunction with the Disque Foundation to fulfill its mission of advancing health care education to the underserved through advanced technology.
