Furthermore, seeing all the negative consequences of addiction listed in one place is very powerful. On the positive side, no one really knows what they like or don't like about living free of their addiction until they have done so for some time. I know of people who continued to add items to all four questions for a full 6 months.

While we like when companies draw a connection between social media policies and company values or principles, Coca-Cola's policy can be confusing at times. We would have avoided the word "principles," as it sounds too much like official company values. Simply using "Guidelines" or "Do's and Don'ts" would work fine here.
