transcontinental plane brought into New York a small stocky man with spiky black hair, thick spectacles, and an excitable voice. As a special envoy from Japan, he was expected to know more than anybody else whether the situation in the Pacific was to come to a crisis or remain, in the diplomatic lingo, simply "critical."

The American people got over the first shock of war and began to chart their course with wisdom and resolution. They saw the blitz attack on Pearl Harbor in its true perspective as a heavy blow but not an irretrievable disaster. They took heart as American fighting men from Midway Island to Manila began to create a new
