My own feeling (or perhaps I read it somewhere) is that so long as common sense tells us that each person has one nose and one driver's license, a parallel structure of plural-plural seems more natural: We all got our driver's licenses at the age of seventeen. People looked at their hands. Many students referred to their professors by their ...

Nose Or Noses?

A's nose, Mr. B's nose, Mr. C's nose, and more, should we use the plural form "their noses" instead of the singular form "nose"? I am confused. Please give me advice on when I should actually use the plural form and when I should not.
