Book Review: The Toddler's Busy Book - Babywise Mom

This book has some good ideas for kids 1yr - 3yrs. You really have to sift around the book and mark what works for your little ones, but it's super handy to have on a shelf and grab when you're kiddos are having a "boring" day. Some of the ideas need to be amended to fit diff age groups, but most are fine the way they are written.

2019), for London Review of Books this week. The poet's characteristically sly humor is well matched to this subject: "If Nabokov and I have one thing in common, it's that we were both careful not to learn anything from Gogol."
