White Esp Rotary Sewing Machine

White ESP Model 4000 Computerized Sewing Machine Guide The latest sewing machine in my sewing machine collection is the White ESP model 4000 sewing machine. What attracted me to it was its small size - it's no Featherweight, but while this sewing machine is in its case, it measures only 6 inches deep and 12.5" inches tall.

White ESP Model 4000 Computerized Sewing Machine Guide ...

It was Thomas White who founded the White Sewing machine company in1858. Only back then it was called the White manufacturing company and only changed its name when it was incorporated in 1876. The company was family-run until about 1955 when Edward Reddig became president and started to make wholesale changes to the operation.

White Sewing Machine Guide (Models, Value, History, Review)

White Sewing Machine Company is known for manufacturing sturdy sewing machines that have stood the test of time. You can still find many working models on eBay. One of the older models, the VS machine, can be especially valuable if it still retains its shuttle and bobbin, which was designed uniquely for that machine and is very difficult to find.
